

COVID-19: Working Through the Pandemic - The Experience of Immigrant Women

This Partnership Engagement Grant will

- examine programs targeted at individuals under the Economic Response Plan to identify inequities;
- document the experiences of recent immigrant women in the labour market, their ability to access supports; and
- identify the difference between the goals of the government response plan and the experience of recent immigrant women.

Partner Organizations

Community Partner:

- Ottawa Local Immigration Partnership

Sponsors:

- Carleton University
- University of Ottawa
- Building Migrant Resilience in Cities/Immigration et résilience en milieu urbain

How did this project come together?

What community needs are you trying to meet through this project?

What learnings are you expecting from this project?
OLIP
Carleton University.

How do you intend to implement these learnings?

Quelles sont les principales questions politiques auxquelles répond votre recherche?
